To: CSF Plus Secretariat, Christian Aid

Subject: Recommendation for Gofa Zone Development Association (GoZDA)

Dear Sir/Madam,

The Gofa Zone Administration hereby recommends the Gofa Zone Development Association (GoZDA) for consideration under the CSF Plus Programme – Round Two.

GoZDA has consistently demonstrated its commitment to community development and resilience building in Gofa Zone. Through its partnership with ForAfrika, GoZDA has delivered tangible results, including:

- Establishment of nurseries propagating indigenous and fruit tree seedlings.
- Promotion of climate-resilient crops such as cassava.
- Training of farmers in climate-smart agriculture practices.
- Strengthening of community accountability and farmer-to-farmer learning.

The Administration recognizes GoZDA as a credible grassroots partner with strong community networks and effective collaboration with local bureaus and districts. We fully support GoZDA's joint application as a lead with Action for Development and Social Change (AFDSC) which has already signed MOU with the regional bureau of health the South Ethiopia to mobilize health equipment for five primary hospitals in the region for the project *Youth Voice & Agency for Inclusive Governance in Gofa Zone*.

Sincerely,

For Gofa Zone Administration:
